Past Conferences:

In the past Multiphysics Conferences have been organised in Karkow Poland, Beijing China, Zurich Switzerland, London United Kingdom, Sofia Bulgaria, Amsterdam The Netherlands, Lisbon Portugal, Barcelona Spain, Kumamoto Japan, Lille France, Narvik Norway, Manchester United Kingdom, and Maribor Slovenia. Researchers from all around the world participated in these events. The Organisers and the Management Committee are thankful to all attendees for making these events successful.

Call for the papers:

Authors are invited to submit abstracts of papers of up to 300 words written as a 'free standing' paragraph and containing key objectives and conclusions and the preferred form of presentation: oral or posters. Abstracts should contain the title of the presentation, names of authors and their affiliations including the full contact details of the corresponding author.

Authors will be invited to submit full length papers for publication in 'The International Journal of Multiphysics'.

Abstracts can be submitted online via <http://www.multiphysics.org/>
